### Technical Proficiencies

- AI Content generation
- Java, HTML ,CSS
- Basic Troubleshooting
- SQL

### Soft Skills

- Communication
- Teamwork
- Attention to details

### Interests

- Baking & Cooking
- Baking
- 

Enthusiastic IT professional with a Software Development diploma, currently working as a Digital Associate at CAPACITI partnered with FNB where I completed an AI Bootcamp, which gave me a solid foundation in AI and I am continuing my journey at CAPACITI, actively learning and growing every day. I'm a dedicated problem solver who enjoys collaborating with others and paying close attention to detail. My goal is to develop my technical and analytical skills further to secure a role in the tech industry where I can contribute to innovative digital solutions and make a meaningful impact.
